Issue	Discussion
Public Hearing Introduction	<p>Dr. Pam Oliver opened the hearing as the presider. She explained that the meetings are being held via WebEx; that no presentations will be debated at the hearing; any persons wishing to speak can and will be required to submit written versions of all presentation to Amy Craddock.</p> <p>Dr. O recognized AC who called roll of all SHCC members present.</p>
Presenters	<p>Virginia Jones, Valleygate Dental Surgery Centers</p> <ul style="list-style-type: none"> • Dental demo project (3) • Serve a lot of mcaid • Want to do ENT along with dental in special cases • Approved in spring • Encourage full shcc to continue support and vote thru <ul style="list-style-type: none"> ○ DrU – max capacity in a year? in a facility about 3K cases, currently about 2/3 capacity <p>Jordan Olsen, DDS, Valleygate Dental Surgery Centers</p> <ul style="list-style-type: none"> • DDS at VDSC • Perspective of pedo • Minimize trauma <ul style="list-style-type: none"> ○ DrU – initial discussion for demo, separate trip for H&P, given area with multiple providers, how coordinated for follow ups; able to streamline now? ○ DrO – before every child had to be pre-screened at hospital, all done via phone and if patients is identified as needing extra attention, those patients pre-test with anesth; COVID has made tele-dentistry a thing esp with triaging patients, could be used in future with post op ○ DrJ – have eliminated at least one visit; see their own pedo, still have H&P done by own pediatrician, phone calls between anesth and VG dds; a lot more efficient for patients. ○ DrU – savings for those? Mcaid \$? Not yet, but can

Issue	Discussion
	<p>Anderson Shackelford – Williams Mullins on behalf of Alliance</p> <ul style="list-style-type: none"> • Opposed to TE4 on behalf of Alliance • Undermine need determinations from methodology • Novel policy, created without industry input or comment or without deliberation at the TE cmt mtg • Creates extra capacity and unnecessary duplication • If not enough capacity will trigger a need determination <p>Rodney Skelding – Manager of Ops at Alliance</p> <ul style="list-style-type: none"> • Opposed to TE4 • Threat to quality and appropriate delivery of mobile MRI services in NC • Operating a mobile is very different than a fixed; proposes unique challenges regarding scanner and coach operations and overall logistics <ul style="list-style-type: none"> ○ Alliance staff are already trained to handle all of the potential issues and unique challenges that can occur ○ Alliance already has a system in place to handle complex logistics of multiple sites, multiple providers, and patient scheduling
Other Business	<p>Recess for 14 minutes Reconvene at 2:30p DrO thanked all participants and recognized no further business. Meeting adjourned.</p>
